Barron s AP Biology Your fully updated, must-have manual includes an extensive review covering AP test topics, full-length tests (in the book and online), all questions thoroughly answered and explained, hundreds of additional multiple-choice and free response practice questions with answer explanations, and test-taking tactics and strategies.

Barron's AP Biology 6th Edition Goldberg M S Deborah T

Barron's is usually a standard and reputable test prep book, so I was surprised at the horrible quality of these prep questions. I suggest buying the Preparing for the Biology AP* Exam (School Edition) (Pearson Education Test Prep) book instead, where the questions and content accurately reflect what is found on the recent AP Biology exams.
