Why Do Languages Die Mises Institute

It is only when the state adopts a trade language as official and, in a fit of linguistic nationalism, foists it upon its citizens, that trade languages become "killer languages." Most importantly, what both of the above answers overlook is that speaking a global language or a language of trade does not necessitate the abandonment of one's mother tongue.

Nightflight to Venus is the third studio album by Euro-Caribbean group Boney M., and was released in July 1978. The album became a major success in continental Europe, Scandinavia, and Canada, topping most of the album charts during the second half of 1978 and also became their first UK number one album.

Jean Bertrand Aristide Biography life family children

Jean-Bertrand Aristide was born on July 15, 1953, in the fishing village of Port-Salut, Haiti, to parents who were farmers. The occupation of his parents was not uncommon, since the majority of Haitians make a small living by farming. The unique thing was that Joseph and Marie Solanges Aristide, although poor, were educated.
